

## Top 10 Languages Worked With

## Top 10 Databases Worked With

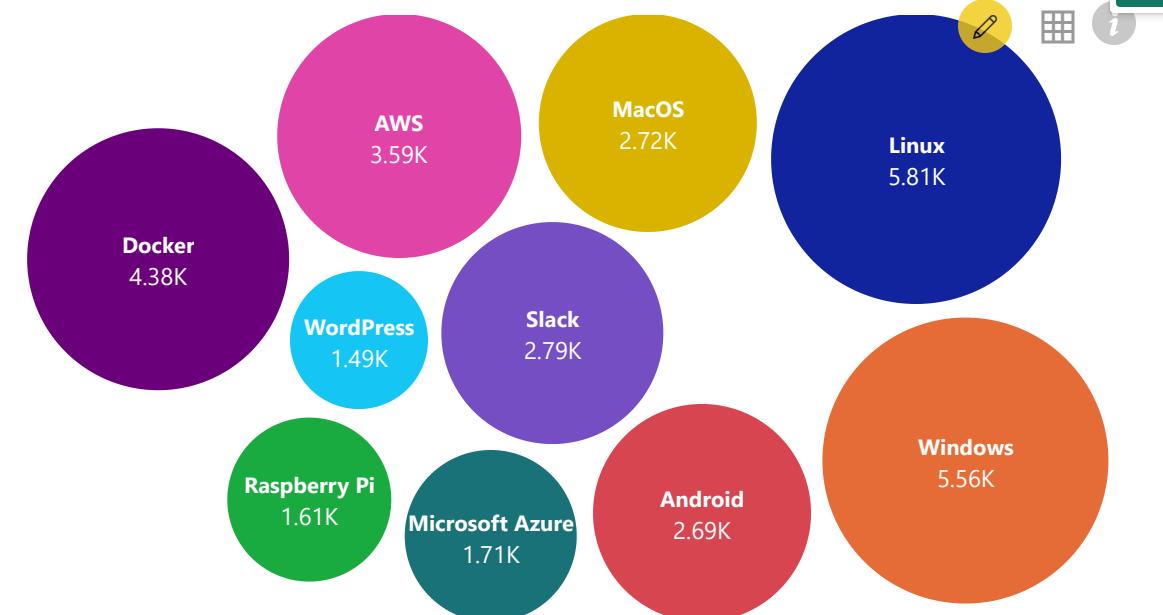

## Platform Worked With

A word cloud visualization showing the most popular software and platforms used in the course. The words are arranged in a grid-like pattern, with the size of each word indicating its frequency or importance. The colors of the words vary, creating a visually appealing and dynamic representation.

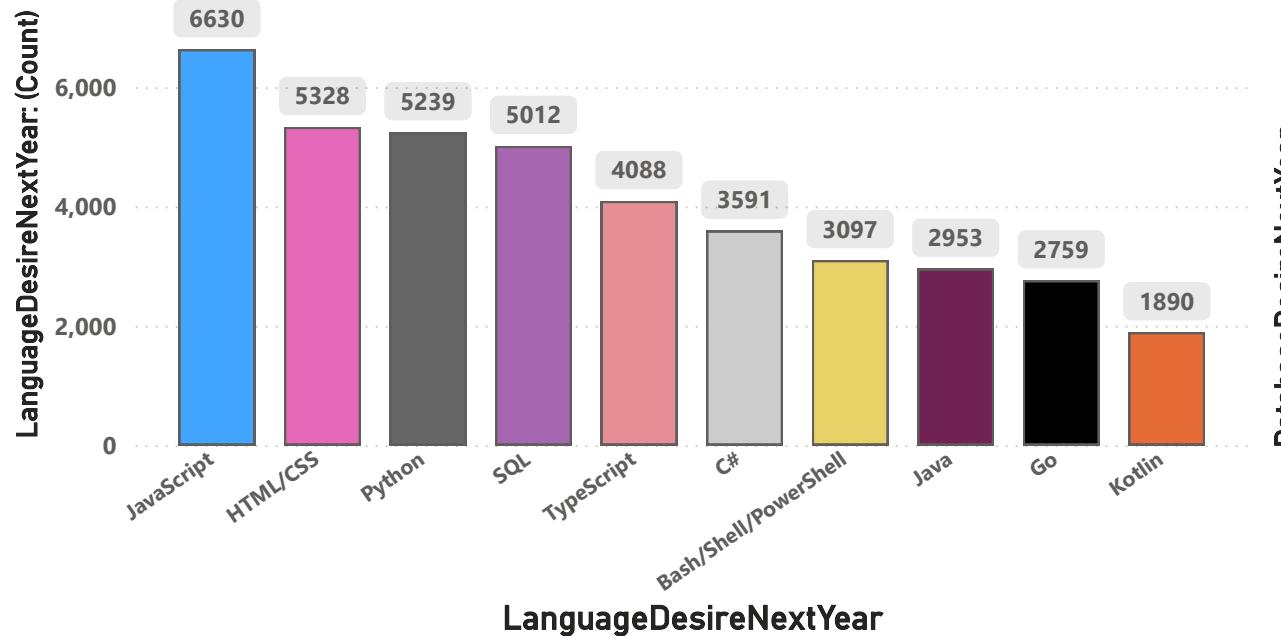

The words visible in the cloud include:

- Arduino
- Heroku Platform
- Raspberry
- Microsoft iOS
- Slack Cloud
- IBM
- Android
- Windows
- Kubernetes
- AWS
- MacOS
- Watson
- Linux
- Azure
- WordPress
- Docker
- pi
- Other
